

# DPC Summer Dinner Lecture presents Kathy Kelly

June 12 2007

Kelly, founder of Voices for Creative Nonviolence, is a peaceful presence in the most violent parts of the world. Continually drawn to the most dangerous areas of the Middle East, Kelly offered the proverbial "cool cup of water" to those whose homes are being destroyed and lives are being shattered

The Dallas Peace Center  
presents the  
Fourth Annual Summer Dinner Lecture  
June 12, 2007

with
